Methodology

In April¹ and June², 2020, Arizent/Accounting Today conducted Accountants Confidence Index (ACI) studies online that included questions about the COVID-19 crisis. 142 and 154 professionals who work in public accounting responded. The ACI, conducted in partnership with ADP, is a monthly economic indicator that leverages the insights of accountants into the strength and prospects of businesses in the U.S. <https://www.accountingtoday.com/collections/accountants-confidence-index>
