Fortune 500

*Ambetter Health is the largest carrier of individual plans in the U.S., serving nearly **5.4 million members**. We believe in providing high value, low-cost health benefits without compromise.*

Offered by Centene Corporation and its State Health Plans, Ambetter Health represents more than 40 years of experience in the managed care industry.

STRONG OPTIONS FOR ICHRA PLANS

- ICHRA stands for Individual Coverage Health Reimbursement Arrangement.
- With an ICHRA, employees can buy any plan from any carrier on the marketplace (including our competitors).
- Unlike many other carriers, the marketplace is how Ambetter wins all of our members.
- We believe in our individual plans, network, member experience, and pricing — and since we've consistently had the top plans on the marketplace, we know our members do too.
- We currently offer ICHRA plans in the following states: IN, GA, MO, MS, OH and SC.
