NOTICE IS GIVEN that ELECTRONIC BIDS via *PARITY*® (as described herein) will be received by the TOWN OF BRANFORD, CONNECTICUT (the “Issuer”), until 11:00 A.M. (E.T.) on WEDNESDAY,

FEBRUARY 25, 2026

(the “Sale Date”) for the purchase of the Issuer’s \$10,800,000 General Obligation Bond Anticipation Notes (Federally Taxable) (the “Notes”). Electronic bids must be submitted via *PARITY*® (see “Electronic Bidding Procedures”).

#### **The Notes**

The Notes are expected to be dated March 12, 2026 and will mature and be payable to the registered owner on November 24, 2026 as further described in the Preliminary Official Statement (as hereinafter defined). The Notes will bear interest (which interest shall be calculated on the basis of a 360-day year consisting of twelve 30-day months) payable at maturity at the rate or rates per annum fixed in the proposal or proposals accepted for their purchase, which rates shall be in multiples of 1/100 of 1% per annum.

#### **Nature of Obligation**

The Notes will constitute general obligations of the Issuer, and the Issuer will pledge its full faith and credit to pay the principal of and interest on the Notes when due. Unless paid from other sources, the Notes are payable from ad valorem taxes which may be levied on all taxable property subject to taxation by the Issuer without limit as to rate or amount except as to classified property such as certified forest lands taxable at a limited rate and dwelling houses of qualified elderly persons of low income or of qualified disabled persons taxable at limited amounts pursuant to provisions of the Connecticut General Statutes, as amended. The information in this Notice of Sale is only a brief summary of certain provisions of the Notes. For further information about the Notes, reference is hereby made to the Preliminary Official Statement.

#### **Registration**

The Notes will be issued by means of a book-entry system with no physical distribution of note certificates made to the public. The Notes will be issued in registered form and one note certificate for each interest rate will be issued to The Depository Trust Company (“DTC”), New York, New York, registered in the name of its nominee, Cede & Co., and immobilized in its custody. A book-entry system will be employed, evidencing ownership of the Notes in principal

amounts of \$5,000 or any integral multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures adopted by DTC and its participants. The purchaser(s), as a condition to delivery of the Notes, will be required to deposit the Note certificates with DTC, registered in the name of Cede & Co. Principal of and interest on the Notes will be payable by the Issuer or its agent to DTC or its nominee as registered owner of the Notes. Principal and interest payments by DTC to participants of DTC will be the responsibility of DTC; principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The Issuer will not be responsible or liable for payments by DTC to its participants or by DTC participants or indirect participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants. Upon receipt from the Issuer, the Paying Agent will pay principal of and interest on the Notes directly to DTC so long as DTC or its nominee, Cede & Co, is the Noteholder.

**Bid Specifications; Basis of Award; Right to Reject Proposals; Waiver; Right to Cancel; Postponement; Change of Terms**

Each bid for the purchase of the Notes must be submitted in accordance with the requirements prescribed herein. A proposal may be for all or any part of the Notes but any proposal for a part must be for at least \$100,000, or a whole multiple thereof, and a separate proposal will be required for each part of the Notes for which a separate interest rate is bid. Unless all bids are rejected, the Notes will be awarded to the bidder or bidders offering to purchase the Notes at the lowest net interest cost (“NIC”), computed as to each interest rate stated by adding the total interest which will be paid at such rate and deducting therefrom the premium offered, if any. As between proposals resulting in the same lowest net interest cost to the Issuer, the award will be made on the basis of the highest principal amount of the Notes specified. No bid for less than par and accrued interest, if any, will be considered and the Issuer reserves the right to award to any bidder all or any part of the Notes bid for in its proposal. If a bidder is awarded only a part of the Notes bid for in its proposal, any premium offered in such proposal will be proportionately reduced so that the resulting net interest cost to the Issuer with respect to the Notes awarded is the same as that contained in the bidder’s proposal with respect to the entire amount bid, carried to six decimal places. The purchase price must be paid in immediately available federal funds.

The right is reserved to reject any and all proposals and to reject any proposal not complying with this Notice of Sale and to waive any irregularity or informality with respect to any proposal.

The Issuer further reserves the right to cancel or postpone the sale to another time and date in its sole discretion for any reason, including Internet difficulties. The Issuer will use its best efforts to notify prospective bidders in a timely manner of any need for a cancellation or postponement. Upon the establishment of an alternative sale date, any bidder may submit proposals for the purchase of the Notes in accordance with the provisions of this Notice of Sale.
