**\*ADJUSTMENT OF TOTAL PAR AMOUNT OF BONDS AND PRINCIPAL MATURITIES:**

The County reserves the right to adjust the aggregate principal amount of the bonds after receipt of the bids and prior to final award, if necessary, so that the purchase price of the bonds will provide an amount determined by the County to be sufficient to construct the project and to pay costs of issuance of the bonds. The adjustments, if necessary, will be in increments of \$5,000. The purchase price will be adjusted proportionately to the adjustment in issue size, but the interest rates specified by the successful bidder for all maturities will not change. The successful bidder may not withdraw its bid as a result of any changes made within these limits.

**\*ADJUSTMENT TO PURCHASE PRICE:** Should any adjustment to the aggregate principal amount of the bonds be made by the County, the purchase price of the bonds will be adjusted by the County proportionally to the adjustment in principal amount of the bonds. The adjusted purchase price will reflect changes in the dollar amount of the underwriter's discount and original issue discount/premium, if any, but will not change the per-bond underwriter's discount as calculated from the bid and initial reoffering prices.

**INTEREST RATE AND BIDDING DETAILS:** The bonds shall bear interest at rate or rates not exceeding six percent (6.00%) per annum, to be fixed by the bids therefor, expressed in any fraction of 1%. The interest on any one bond shall be at one rate only and all bonds maturing in any one year must carry the same interest rate. No proposal for the purchase of less than all of the bonds or at a price less than 99.00% of their par value will be considered.

**PRIOR REDEMPTION OF BONDS:** Bonds maturing in the years 2028 to 2034, inclusive, shall not be subject to optional redemption prior to maturity. Bonds or portions of bonds in multiples of \$5,000 maturing in the years 2035 and thereafter shall be subject to redemption prior to maturity, at the option of the County, in any order of maturity and by lot within any maturity, on any date on or after May 1, 2034, at par and accrued interest to the date fixed for redemption.

In case less than the full amount of an outstanding bond is called for redemption, the transfer agent, upon presentation of the bond called for redemption, shall register, authenticate and deliver to the registered owner of record a new bond in the principal amount of the portion of the original bond not called for redemption.

Notice of redemption shall be given to the registered owner of any bond or portion thereof called for redemption by mailing of such notice not less than thirty (30) days prior to the date fixed for redemption to the registered address of the registered owner of record. A bond or portion thereof so called for redemption shall not bear interest after the date fixed for redemption provided funds are on hand with the transfer agent to redeem said bond or portion thereof.

**TERM BOND OPTION:** The initial purchaser of the bonds may designate any one or more maturities from May 1, 2028 through the final maturity as term bonds and the consecutive maturities on or after the year 2028 which shall be aggregated in the term bonds. The amounts of the maturities which are aggregated in a designated term bond shall be subject to mandatory

redemption on May 1 of the years and in the amounts set forth in the above maturity schedule at a redemption price of par, plus accrued interest to the date of mandatory redemption. Term bonds or portions thereof mandatorily redeemed shall be selected by lot. Any such designation must be made at the time bids are submitted.

**BOOK-ENTRY-ONLY OPTION:** The bonds will be issued in book-entry-only form as one fully registered bond per maturity and will be registered in the name of Cede & Co., as bondholder and nominee for The Depository Trust Company ("DTC"), New York, New York. DTC will act as securities depository for the bonds. Purchase of the bonds will be made in book-entry-only form, in the denomination of \$5,000 or any integral multiple thereof. Purchasers will not receive certificates representing their interest in bonds purchased. The book-entry-only system is described further in the preliminary Official Statement for the bonds. It will be the responsibility of the purchaser to obtain DTC eligibility. Failure of the purchaser to obtain DTC eligibility shall not constitute cause for a failure or refusal by the purchaser to accept delivery of and pay for the bonds.

**TRANSFER AGENT AND REGISTRATION:** Principal shall be payable at the principal corporate trust office of Argent Institutional Trust Company, Grand Rapids, Michigan, or such other transfer agent as the County may hereafter designate by notice mailed to the registered owner of record not less than 60 days prior to an interest payment date. Interest shall be paid by check or draft mailed to the registered owner of record as shown on the registration books kept by the transfer agent as of the 15th day of the month preceding the interest payment date. The bonds will be transferred only upon the registration books of the County kept by the transfer agent.

**PURPOSE AND SECURITY:** The bonds are authorized for the purpose of paying the cost of acquiring and constructing certain capital improvements for the County. The bonds will be a first budget obligation of the County, payable from the general funds of the County including the collection of ad valorem taxes on all taxable property in the County subject to applicable constitutional and statutory tax rate limitations. The County expects to pay principal and interest on the bonds from funds to be received from the Kalamazoo County Event Center Assessment District Authority, Inc. The rights or remedies of bondholders may be affected by bankruptcy, insolvency, fraudulent conveyance or other laws affecting creditors' rights generally now existing or hereafter enacted and by the application of general principles of equity including those relating to equitable subordination.

**GOOD FAITH:** A good faith deposit in the form of a certified or cashier's check drawn upon an incorporated bank or trust company, or wire transfer, in the amount of one percent (1.00%) of the final aggregate principal amount of the bonds, payable to the order of the County will be required of the successful bidder. THE SUCCESSFUL BIDDER IS REQUIRED TO SUBMIT ITS GOOD FAITH DEPOSIT TO THE COUNTY AS INSTRUCTED BY THE COUNTY OR THE MUNICIPAL ADVISOR NOT LATER THAN NOON, PREVAILING EASTERN TIME, ON THE NEXT BUSINESS DAY FOLLOWING THE SALE. The good faith deposit will be applied to the purchase price of the bonds. In the event the purchaser fails to honor its accepted bid, the good faith deposit will be retained by the County. No interest shall be allowed on the good faith deposit. The good faith check of the successful bidder will be deposited and payment for the balance of the purchase price of the bonds shall be made at the closing.

**AWARD OF BONDS – TRUE INTEREST COST:** The bonds will be awarded to the bidder whose bid produces the lowest true interest cost determined in the following manner: the lowest true interest cost will be the single interest rate (compounded on November 1, 2026 and semi-annually thereafter) necessary to discount the debt service payments from their respective payment date to June 4, 2026 (the anticipated delivery date), in an amount equal to the price bid, excluding accrued interest, if any. For the purpose of computing the true interest cost, the bonds shall be deemed to become due in the principal amounts and at the times as set forth above, whether the bonds are serial bonds or mandatory sinking fund redemptions for such term bonds. Each bidder shall state in its bid the true interest cost to the County, computed in the manner specified above.

**TAX MATTERS:** In the opinion of Miller, Canfield, Paddock and Stone, P.L.C., bond counsel, under existing law, assuming compliance with certain covenants, interest on the bonds is excludable from gross income for federal income tax purposes as described in the opinion, and the bonds and interest thereon are exempt from all taxation by the State of Michigan or by any taxing authority within the State of Michigan except estate taxes and taxes on gains realized from the sale, payment or other disposition thereof.

The facility constructed with the proceeds of the Bonds will be owned by the County and will be leased to and operated by the Kalamazoo County Event Center Assessment District Authority, Inc., a Michigan public body corporate and controlled governmental entity of the County, but may from time to time be used by one or more organizations that are or will be qualified under Section 501(c)(3) of the Internal Revenue Code of 1986 (the "Code"). As a result, the County will elect for federal tax purposes to treat the Bonds that will be used to finance the construction of the facility as "qualified 501(c)(3) bonds" pursuant to the Code. The opinion of Bond Counsel as to federal tax matters pertaining to the Bonds is therefore dependent upon compliance by the 501(c)(3) organizations with the requirements of the Code applicable to qualified 501(c)(3) bonds, including the requirements that each of the 501(c)(3) organizations be qualified as an organization described in Section 501(c)(3) of the Code, that each maintains its status as an organization described in Section 501(c)(3) of the Code subsequent to the date of issuance of the Bonds, and that each 501(c)(3) organization's use of the facility be substantially related to its exempt purpose under Section 513(a) of the Code. The maintenance of such status is contingent on compliance with the rules in the Code and related regulations and rulings regarding the organization and operation of tax-exempt entities, including their operation for charitable and other permissible purposes and their avoidance of transactions that may cause their earnings or assets to inure to the benefit of private individuals.

**ISSUE PRICE:** The winning bidder shall assist the County in establishing the issue price of the bonds and shall execute and deliver to the County at closing an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached either as Appendix H-1 or Appendix H-2 of the preliminary Official Statement

*continued from previous page*

for the bonds, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the County and bond counsel.

The County intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the bonds) will apply to the initial sale of the bonds (the “Competitive Sale Requirements”) because:

- a. the County is disseminating this Official Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- b. all bidders shall have an equal opportunity to bid;
- c. the County anticipates receiving bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- d. the County anticipates awarding the sale of the bonds to the bidder who submits a firm offer to purchase the bonds at the lowest true interest cost, as set forth in this Official Notice of Sale.

Any bid submitted pursuant to this Official Notice of Sale shall be considered a firm offer for the purchase of the bonds, as specified in the bid.

In the event that all of the Competitive Sale Requirements are not satisfied, the County shall so advise the winning bidder. The County will not require bidders to comply with the “hold-the-offering price rule” (as described below), and therefore does not intend to use the initial offering price to the public as of the sale date of any maturity of the bonds as the issue price of that maturity, though the winning bidder, in consultation with the County, may elect to apply the “hold-the-offering price rule” (as described below). Bids will not be subject to cancellation in the event the Competitive Sale Requirements are not satisfied. Unless a bidder intends to apply the “hold-the-offering price rule” (as described below), bidders should prepare their bids on the assumption that all of the maturities of the bonds will be subject to the 10% Test (as described below). The winning bidder must notify the County of its intention to apply either the “hold-the-offering price rule” or the 10% Test at or prior to the time the bonds are awarded.

If the winning bidder does not request that the “hold-the-offering price rule” apply to determine the issue price of the bonds, then the following two paragraphs shall apply:

a. The County shall treat the first price at which 10% of a maturity of the bonds (the “10% Test”) is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis. The winning bidder shall advise the County if any maturity of the bonds satisfies the 10% Test as of the date and time of the award of the bonds; and

b. Until the 10% Test has been satisfied as to each maturity of the bonds, the winning bidder agrees to promptly report to the County the prices at which the unsold bonds of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the closing date has occurred, until either (i) all bonds of that maturity have been sold or (ii) the 10% Test has been satisfied as to the bonds of that maturity, provided that, the winning bidder’s reporting obligation after the closing date may be at reasonable periodic intervals or otherwise upon request of the County or bond counsel.

If the winning bidder does request that the “hold-the-offering price rule” apply to determine the issue price of the bonds, then the following three paragraphs shall apply:

a. The winning bidder, in consultation with the County, may determine to treat (i) pursuant to the 10% Test, the first price at which 10% of a maturity of the bonds is sold to the public as the issue price of that maturity and/or (ii) the initial offering price to the public as of the sale date of any maturity of the bonds as the issue price of that maturity (the “hold-the-offering price rule”), in each case applied on a maturity-by-maturity basis. The winning bidder shall advise the County if any maturity of the bonds satisfies the 10% Test as of the date and time of the award of the bonds. The winning bidder shall promptly advise the County, at or before the time of award of the bonds, which maturities of the bonds shall be subject to the 10% Test or shall be subject to the hold-the-offering price rule or both.

b. By submitting a bid, the winning bidder shall (i) confirm that the underwriters have offered or will offer the bonds to the public on or before the date of the award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder, and (ii) if the hold-the-offering-price rule applies, agree, on behalf of the underwriters participating in the purchase of the bonds, that the underwriters will neither offer nor sell unsold bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- i. the close of the fifth (5th) business day after the sale date; or
- ii. the date on which the underwriters have sold at least 10% of that maturity of the bonds to the public at a price that is no higher than the initial offering price to the public;

The winning bidder shall promptly advise the County when the underwriters have sold 10% of that maturity of the bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

c. The County acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the requirements for establishing issue price of the bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the bonds, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the bonds, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter or dealer who is a member of the selling group is a party to a third-party distribution agreement that was employed in connection with the initial sale of the bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the bonds, as set forth in the third-party distribution agreement and the related pricing wires. The County further

acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing issue price of the bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the bonds, and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement to comply with the requirements for establishing issue price of the bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the bonds.

By submitting a bid, each bidder confirms that:

a. any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, (A)(i) to report the prices at which it sells to the public the unsold bonds of each maturity allocated to it, whether or not the closing date has occurred, until either all bonds of that maturity allocated to it have been sold or it is notified by the winning bidder that the 10% Test has been satisfied as to the bonds of that maturity, provided that, the reporting obligation after the closing date may be at reasonable periodic intervals or otherwise upon request of the winning bidder, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the winning bidder and as set forth in the related pricing wires, (B) to promptly notify the winning bidder of any sales of bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the bonds to the public (each such term being used as defined below), and (C) to acknowledge that, unless otherwise advised by the underwriter, dealer or broker-dealer, the winning bidder shall assume that each order submitted by the underwriter, dealer or broker-dealer is a sale to the public.

b. any agreement among underwriters or selling group agreement relating to the initial sale of the bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (i) report the prices at which it sells to the public the unsold bonds of each maturity allocated to it, whether or not the closing date has occurred, until either all bonds of that maturity allocated to it have been sold or it is notified by the winning bidder or such underwriter that the 10% Test has been satisfied as to the bonds of that maturity, provided that, the reporting obligation after the closing date may be at reasonable periodic intervals or otherwise upon request of the winning bidder or such underwriter, and (ii) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the winning bidder or the underwriter and as set forth in the related pricing wires.

Sales of any bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of establishing issue price. Further, for purposes of this Official Notice of Sale:

a. “public” means any person other than an underwriter or a related party;

b. “underwriter” means (A) any person that agrees pursuant to a written contract with the County (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the bonds to the public);

c. a purchaser of any of the bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

d. “sale date” means the date that the bonds are awarded by the County to the winning bidder.

**LEGAL OPINION:** Bids shall be conditioned upon the approving opinion of Miller, Canfield, Paddock and Stone, P.L.C., attorneys of Detroit, Michigan, a copy of which opinion will be furnished without expense to the purchaser of the bonds at the delivery thereof. The fees of Miller, Canfield, Paddock and Stone, P.L.C. for services rendered in connection with such approving opinion are expected to be paid from bond proceeds. Except to the extent necessary to issue its approving opinion as to validity of the above bonds, Miller, Canfield, Paddock and Stone, P.L.C. has not been requested to examine or review and has not examined or reviewed any financial documents, statements or materials that have been or may be furnished in connection with the authorization, issuance or marketing of the bonds, and accordingly will not express any opinion with respect to the accuracy or completeness of any such financial documents, statements or materials. In submitting a bid for the bonds, the bidder agrees to the representation of the County by Miller, Canfield, Paddock and Stone, P.L.C., as bond counsel.

**DELIVERY OF BONDS:** The County will furnish bonds ready for execution at its expense. Bonds will be delivered without expense to the purchaser through DTC in New York, New York, or such other place to be agreed upon. The usual closing documents, including a certificate that no litigation is pending affecting the issuance of the bonds, will be delivered at the time of delivery of the bonds. If the bonds are not tendered for delivery by twelve o’clock noon, prevailing Eastern Time, on the 45th day following the date of sale, or the first business day thereafter if said 45th day is not a business day, the successful bidder may on that day, or any time thereafter until delivery of the bonds, withdraw its proposal by serving notice of cancellation, in writing, on the undersigned, in which event the County shall promptly return the good faith deposit. Payment for the bonds

shall be made in Federal Reserve Funds.

**CUSIP NUMBERS:** It is anticipated that CUSIP identification numbers will be printed on the bonds, but neither the failure to print such numbers on any bonds nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds. Application for CUSIP identification numbers will be made by Bendzinski & Co. Municipal Finance Advisors, municipal advisors to the County. All expenses in relation to the printing of CUSIP numbers on the bonds shall be paid for by the County; provided, however, that the CUSIP Service Bureau charge for the assignment of such numbers shall be the responsibility of and shall be paid for by the purchaser.

**OFFICIAL STATEMENT:** An electronic copy of the preliminary Official Statement that the County deems to be final as of its date, except for the omission of information permitted to be omitted by Rule 15c2-12 of the Securities and Exchange Commission, has been prepared and may be obtained from Bendzinski & Co. Municipal Finance Advisors, municipal advisors to the County, at the address and telephone listed under REGISTERED MUNICIPAL ADVISORS below. Requests for copies should be made to Bendzinski & Co. Municipal Finance Advisors within 24 hours of the time of sale.

**BOND INSURANCE AT PURCHASER'S OPTION:** If the bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of the bidder/purchaser, the purchase of any such insurance policy or the issuance of any such commitment shall be at the option and expense of the purchaser of the insurance. Any and all increased costs of issuance of the bonds resulting from such purchase of insurance shall be paid by the purchaser, except that if the County has requested and received a rating on the bonds from a rating agency, the County shall pay the fee for the requested rating. Any other rating agency fees shall be the responsibility of the purchaser of the insurance. FAILURE OF THE MUNICIPAL BOND INSURER TO ISSUE THE POLICY AFTER THE BONDS HAVE BEEN AWARDED TO THE PURCHASER SHALL NOT CONSTITUTE CAUSE FOR FAILURE OR REFUSAL BY THE PURCHASER TO ACCEPT DELIVERY OF THE BONDS FROM THE COUNTY.

**CONTINUING DISCLOSURE:** As described more fully in the Official Statement, the County has agreed to provide or cause to be provided, in accordance with the requirements of Rule 15c2-12 promulgated by the Securities and Exchange Commission, (i) on or prior to the last day of the seventh month after the end of each fiscal year commencing with the fiscal year ended December 31, 2025, certain annual financial information and operating data, including audited financial statements for the preceding fiscal year, generally consistent with the information contained or cross-referenced in the Official Statement relating to the bonds, (ii) timely notice of the occurrence of certain material events with respect to the bonds and (iii) timely notice of a failure by the County to provide the required annual financial information on or before the date specified in (i) above.
